Dear Ms. Detloff:

The Nevada Department of Transportation (NDOT) has completed its evaluation of your Soil Sement soil stabilizer. Based on information provided, we have determined that this product meets our minimum requirements for soil stabilizer product. Therefore, your Soil Sement has been added to the Qualified Products List (QPL), section 726.03.13 (see attached listing).

It must be emphasized that the QPL is only used to pre-qualify products and should not be construed as an endorsement by NDOT. Your product will remain on the QPL as long as its performance is satisfactory. Poor performance in the field will result in suspension or removal from the QPL as per established NDOT product evaluation procedures. Please be aware, that any modification of this product or a change in manufacturer's name and address should be conveyed to the NDOT Research Division in a timely manner. Failure to disclose this information may also result in suspension of this approval or removal of your product from the QPL.

If you have any questions regarding the evaluation process, please contact Masha Wilson at (775) 888-7894.

Sincerely,

Reed Gibby, Ph.D.
Research Coordinator
